

(almost) 25 years later: Then, now and later

Es larga la carretera
Cuando uno mira atrás
Vas cruzando las fronteras
Sin darte cuanta quizás
Tomate del pasamanos
Porque antes de llegar
Se aferraron mil ancianos
Pero se fueron igual

Canción para mi muerte - Sui Generis

It's been almost 24 years since I moved to the US. Dang, I can't believe it's been that long already... it feels like yesterday since I was a frightened 19, almost 20, year old moving into whatever this new life would bring.
